I'm so worried a-bout what's happening to-day in the Middle East, you know,

4

and I'm so worried a-bout the baggage retrie-val system they've got at Heathrow. I'm so

9

worried a-bout the fashions to-day, I don't think they're good for your feet, and I'm so

13

worried a-bout the shows on T-V that sometimes they want to re-peat. I'm so

17

worried a-bout what's happening to-day, you know, and I'm so worried a-bout the

21

baggage re-trie-val sys-tem they've got at Heathrow. I'm so worried a-bout my

25

hair falling out, and the state of the world to-day, and I'm so worried a-bout being

29

so full of doubt about everything a - nyway. I'm so worried a-bout modern technolo -

34

gy, I'm so worried a-bout all the things that they dump in the sea, I'm so

38

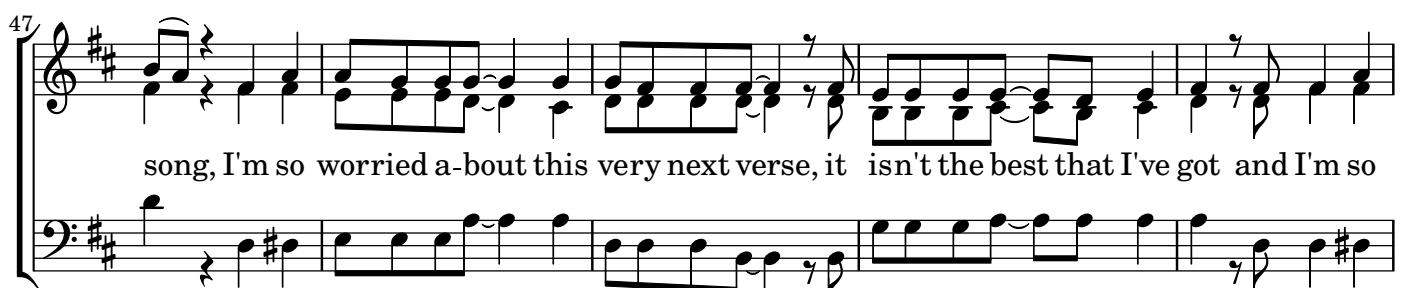

worried a-bout it, worried a-bout it, worried, worried, worried. I'm so worried a-bout e-

43

- everything that can go wrong, I'm so worried a-bout whether people like this

47

song, I'm so worried a-bout this very next verse, it isn't the best that I've got and I'm so

52

worried a - bout whether I should go on or whether I shouldn't just stop. I'm so

56

worried a - bout whether I ought to have stopped, and I'm so worried be-cause it's the

60

sort of thing I ought to know and I'm so worried a - bout the baggage re-trie - val sys-

64

- tem they've got at Heathrow. I'm so worried a - bout whether I should have stopped

68

then, I'm so worried that I'm driving everyone 'round the bend, and I'm so

72

worried a - bout the baggage re-trie - val sys - tem they've got at Heath-row.
