

Medical Love Song

Eric Idle, John Du Prez

CHMS

$\text{♩} = 100$

Sopran
Alt

Bass

ah ah

1. In-flamma - tion of the fore - skin reminds me of your smile I've had

ah ah

ah ah I gave my heart to N-S-U that

3 bal-la-ni-tal chan-croids for quite a little while ah

ah ah ah

lovely night in June I ache for you, my darling, and I hope you get well soon. $\text{♩} = 160$

6 ah ah ah 2. My

ah ah ah

10

pe - nile warts, your her - pes, my sy - phi - li - tic sores your moe-
sy - phi - li - tic kisses, sealed the se - cret of our tryst you
clapped out ge - ni - ta - lia is not so bad for me, as the comp-
heart is ve - ry ten - der though my parts are aw - ful raw, you

2
14

ne - li - al in-fec - tion, how I miss you more and more your
gave me scro - tal pus-tules, with a quick flick of your wrist your
lete and ut - ter fai - lure e - very time I try to pee my
might have been in-fec - ted but you ne - ver were a bore I'm

18

do-bie's itch, my scrum - pox, our love - ly gon - nor - rhea, at
tri - cho - va - gi - ni - tis sent shi - vers down my spine, I got
doc - tor says my bu - boes are the worst he's e - ver seen, my
dy - ing of your love, my love I'm your spi - ro - chae - tal clown, I've

22

least we both were ly - ing, when we said that we were clear. 3. Our
snail tracks in my a - nus when your spi - ro - chetes met mine.
scro - tum's pain - ted o - range and my balls are tur - ning green. 5. My
left my bo dy to sci - ence but I'm af - raid they've turned it down.

26

Go - nocco - cal u - rethri - tis, strepto - coc - cal bal - li -

30

ni - tis, me - nin - go my - e - li - tis, dip - lococ - cal ce - pha -

34

li - tis, e - pi - di - dimi - tis, in - ter - stit - ial ke - ra - ti - tis,

39

sy - phili - tic cho - roidi - tis, and an - ter - ior u - ve - i - tis. 4. My i - tis.
